

JAYDEN REID

Solo acoustic, live looping artist
and singer

"SO AMAZING! ABSOLUTELY INCREDIBLE VOICE. I'M SO GLAD I BOUGHT JAYDEN'S ALBUM, I COULDN'T LEAVE THE CITY WITHOUT IT"

Originally hailing from the tropics of Far North Queensland, Cairns, Jayden's incredibly high calibre of musicianship on guitar and vocals, has made him one to watch within Australia's up-and-coming artists!

Performing in local bars from the age of 16, Jayden has played everything from Weddings, to NBL Games, to Festivals, allowing him to seamlessly adapt to fit any occasion.

Being the founder, lead guitarist, vocalist and songwriter for his alternative rock band, Park Ridge (f.k.a Chester Brix) has enabled him to really hone his sound and skills, making him a compelling and incredibly well rounded performer.

Since relocating and establishing himself in Melbourne as a Bourke St Mall Busker, Jayden has performed alongside artists such as Tash Sultana, Pierce Brothers & Woodlock.

After a string of international tours and festivals with Park Ridge, Jayden is gearing up for his return to Queensland to primarily focus on Weddings & Functions.

With a repertoire to suit all occasions, and a voice that is truly captivating and unique. Jayden's entertainment is the perfect asset to any special occasion.
